Love Is

Love is watching the sun rise together
Holding hands in silence
In deep communication of the heart
It is sharing laughter and happiness
Tears and stories
It is our lives and love shared.

Eulogy

Reflection

My Heart will go on, Celine Dion

In our Hearts, Always

*When I am gone, release me – let me go
I have so many things to see and do.
You must not tie yourself to me with tears
Be happy that we had so many years.*

*I gave you love, you can only guess,
how much you gave me in happiness.
I thank you for the love each have shown,
but now it is time I travelled alone.*

*So grieve awhile for me if grieve you must,
then let your grief be comforted by trust
It is only for a while that we must part
so bless those memories within your heart.*

*I will not be far away, for life goes on.
so if you need me, call and I will come.
Though you cannot see or touch me, I will be near
And if you listen with your heart, you will hear
All of my love around you, soft and clear.*

*Then when you must come this way alone,
I will greet you with a smile and “Welcome Home”*
